

11 mm PMI® EZ Bend™ Hudson Classic Professional Rope Pro | Pro Rope

This rope is for professionals who seek high abrasion resistance. The “time tested” burly sheath design of PMI®’s 11 mm Classic Static makes it a world favorite for professionals who must routinely subject their ropes to high abrasion applications. Our 11 mm version of this popular rope has a burly sheath design loved by many. No other 11 mm rope will outlast a PMI® Classic in side by side, real world applications except a PMI® Max-Wear rope. Add a [sewn eye](#) to create a permanent, sewn termination that is stronger than any knotted termination and nearly as strong as the rope itself.
