PRODUCT DATA SHEET

Bear Knuckles The Claw | LR223

Lineman Cowhide Driver Glove

Features

- Patented Double Wedge design (extreme curved finger pattern)
- Open fingertips on thumb, index and middle fingers
- Double hook-and-loop wrist straps for maximum support
- Ergonomically constructed to reduce hand fatigue
- Winged thumb to decrease material bunching around the palm
- Shirred back (elastic stretch band for a secure fit)
- Purpose-placed gussets for longer-lasting wear
- Minimized seams to prevent stitching abrasion
- 1 mm thickness cowhide leather
