Honeybadger

GL338

Ground Lineman - Long Cuff

Tough Buffalo Hide with Soft Cowhide Split Cuff

All new for 2026, the Bear Knuckles Honeybadger is a tough ground Lineman work glove with a long gauntlet cuff for maximum protection.

Next-level ergonomic design allows for unmatched dexterity and control, with no bunching in the palm while gripping.

Durable buffalo hide with strategically placed reinforced overlays for better durability.

- Patented double-wedge finger design for max dexterity and comfort
- Pre-Curved Fingers prevent bunching in the palm
- Purpose-placed gussets for longer-lasting construction
- Ergonomic design that reduces hand fatigue.
- Long, soft gauntlet cuff for comfort and extra protection.
