Fibre-Metal SuperEight™ Hard Hat with 8-Point Ratchet Suspension

PART NO. 820FMC-00

The SuperEight™ from Fibre-Metal is the hard hat workers want for head protection because its 8 point ratchet suspension is super comfortable and it can be worn backward or forward and still be compliant. Fibre-Metal takes the lead again with this SuperEight™ hard hat.

Features advance Impact Energy Control System

Let workers wear this helmet backwards and they'll still be compliant.

Product Specs:

- Smooth, round crown design reduces risk of objects getting trapped in ribs, ridges, or slots
- Impact Energy Control System features technically advanced suspension with 8 load bearing points
- System stabilizes and balances cap during everyday wear
- Upon impact, system dissipates force by reducing it into smaller increments and spreading it over a greater area
- Headband can be tilted to a comfortable angle while the cap remains level and can also be raised, lowered, or moved front-to-rear within the shell
- Equipped with soft, padded terrycloth sweatband
- Fibre-Metal hard hats comply with ANSI Z89.1 Type I, Class E, G, and C
- SEI certified to ANSI standards when worn backwards with suspension reversed
- 20 per case
- Available in Full Brim and multiple colors
- Optional SwingStrap Suspension and replacement Suspension available
- Add your company logo to any Fibre-Metal Hard Hat
