| Case Dimensions (in) | 23.00 x 19.00 x 23.00                                                          |
| Case Weight (lbs)    | 22.99                                                                          |
| Country of Origin    | Mexico                                                                         |
| Shell Material       | HDPE                                                                           |
| Shell                | Non-Vented                                                                     |
| Brim Style           | Cap Style                                                                      |
| Brim Length          | Standard                                                                       |
| Size Adjustment      | Wheel Ratchet                                                                  |
| Certifications       | ANSI/ISEA Z89.1, TAA Compliant                                                 |

## Performance Data

|                  |         |
|------------------|---------|
| ANSI Type        | Type I  |
| Electrical Class | Class C |

## Fibre-Metal® E2

Type I, Non-Vented, Cap-Style Smooth Dome Hard Hat with Heat Resistant Thermoplastic HDPE Shell, 8-Point SuperEight™ Suspension and Wheel Ratchet Adjustment, Includes Quick-Lok® Accessory

- Thermoplastic design withstands high temperatures, making it suitable for use in demanding environments
- 360° padded sweatband provides exceptional comfort
- Ratchet headband ensures head-hugging stability and easy adjustment
- Smooth crown design contains a technically advanced SuperEight™ suspension with 8 load-bearing points to stabilize and balance the hard hat
- Quick-Lok pre-assembled on hard hat
- Meets ANSI/ISEA Z89.1, Type I, Class C requirements

### SKU Information
