Comfortable, premium full-brim safety helmet

It's time to expect more from your head protection. Engineered to raise industry standards in comfort and fit, the HexArmor® Ceros® XP300E safety helmet brings you a technologically advanced full-brimmed, non-vented safety helmet for workers who need Class E protection.

Inside you'll find a completely pre-assembled, four-point suspension system that provides wearers with a low-profile, balanced center of gravity fit and all-day comfort. Available in a variety of colors, the Ceros® XP300E can accommodate a versatile lineup of protection accessories that seamlessly integrate with the fully enclosed shell for a customizable safety helmet. Available in a variety of colors with the ability to customize with company logo, reflective elements, and more. The Ceros® XP300E – here to raise the bar in head protection.
