

CHROME SLT[®]

4072

The Chrome SLT[®] 4072 features a synthetic leather palm for exceptional dexterity and grip, plus a fiberglass-free HPPE blend liner for a softer, more comfortable fit while maintaining 360° A6 cut resistance.

Designed for high-performance environments, the 4072 includes a breathable HexVent[®] back-of-hand material for increased airflow and mobility, responsive touchscreen patches on the thumb and index finger, and a SlipFit[®] cuff for easy on and off.

Our Chrome SLT[®] gloves were designed with ultimate comfort in mind, providing unsurpassed dexterity while maintaining cut and puncture resistance.
