CHROME SLT® 5080

HexArmor®

The Chrome SLT® 5080 flame-resistant unlined gloves are purpose-built for non-energized utility work with unsurpassed comfort, dexterity, and protection. Goatskin leather construction gives workers the traditional style they love while providing an Arc Flash level 4 rating. Gloves are ideal for work in the energy sector where proximity to arc flash hazards require arc-rated hand protection.

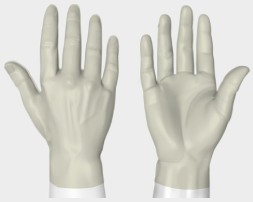

Our Chrome SLT® gloves were designed with ultimate comfort in mind, providing unsurpassed dexterity while maintaining heat and puncture resistance.
