

HELIX[®] 2077

cold weather

Innovation intertwined with safety. That's the DNA of the Helix[®] Series. The Helix[®] cold weather 2077 features a 13-gauge acrylic/fiberglass blend shell offering level A6 cut resistance.

The fleece lining keeps wearers' hands warm and insulated from the cold while the sandy nitrile palm coating provides superior grip and abrasion resistance in dry, oil, or wet situations. The black palm coating hides dirt and soil.
