Certification Letter

Dear Ms. Cline:

We are pleased to confirm that the Spectacle (CSA, Class 1) model below is certified by the Safety Equipment Institute, effective January 4, 2022. Initial certification testing was successfully completed on December 14, 2021 in accordance with the requirements of *CAN/CSA Z94.3-20, Eye and Face Protectors.*

SEI Ref. No.	Brand	Model No.
EFC MSC 03	HexArmor	11-13001-02 - MX300 Clear TruShield Lens with Gray and Hi-Vis Frame 11-13006-05 - MX300 Clear TruShield 2SF Lens with Gray and Hi-Vis Frame

The SEI Certification Mark may be used in the marketing, packaging and promotion of the model detailed above, in accordance with the provisions of the *SEI Certification Program Manual*.

Per the *SEI Certification Program Manual*, SEI shall certify the manufacturer's product model(s) and grant the right to use the SEI certification mark when 1) the Testing Laboratory has determined that the product model submitted and tested successfully meets the appropriate product standard, 2) the Quality Assurance Auditor has determined that the manufacturer complies with SEI quality assurance requirements through an on-site audit, including a review of the quality manual and procedures, 3) the manufacturer has paid all fees, and 4) product liability insurance requirements are met.

Following initial certification, SEI conducts annual follow-up testing on samples which are selected by SEI during the annual quality assurance audit. SEI's certification program is accredited as a System Type 5 per ISO/IEC 17067:2013 (E).

Thank you for your participation in the SEI Certification Program. If you have any questions, please contact the SEI Office.

Sincerely,

Dean D. Moran
