safety eyewear
VS450G

Introducing HexArmor's most universal piece of gasketed safety eyewear, the VS450G. With a reengineered frame and lens design, the VS450G offers edge-to-edge optical clarity and innovatively angled periphery for wrap-around, clear vision, complete with a removable soft TPE gasket to block dirt, dust, and debris.

Protective devices do not provide unlimited protection. Some operations may require machine guards, face shields, special filter lenses, or other safety equipment. Safety eyewear does not provide complete protection against hazards, and should only be used in conjunction with the prescribed safety equipment for the application as well as defined safety practices.

UVEX SAFETY GROUP GmbH & Co. KG, parent company of HexArmor®, has achieved a Gold EcoVadis Rating, placing us in the top 5% of sustainable suppliers globally.
