

11 mm BEAL Industrie - 100 Meters PMI Outlet |

For decades, the BEAL Industrie rope has been a true legend, known for its exceptional strength of 46 daN/g and superior handling. With a diameter of 11 mm, it delivers unparalleled toughness, making it the go-to choice for the most demanding tasks. Its specially designed sheath offers record-breaking durability without adding unnecessary weight. The BEAL Industrie rope strikes the perfect balance between performance and reliability, ensuring professionals get the best in safety and efficiency. For a similar rope see the [BEAL Access Unicore®](#).

Please note that all PMI Outlet items have limited stock.
