

Tyvek® Coveralls

A-TYVEK-L Collar Attached,Zipper Front,1 per package

Built for demanding environments, Tyvek Coveralls help keep workers safe by keeping out dust, particulates and moisture. They're ideal for working around gasoline, electrical equipment, chemicals, paint, printing presses and even nuclear contaminants!

- Non-woven olefin fabric with elastic wrists and ankles effectively blocks asbestos, lead, radioactive dust and more; spunbond material is light-weight and soft
- Flexible and strong in wet or dry environments and in temperatures up to 100°F; serged seams for extra durability
- Safe for use in labs and other sensitive workplaces; low-linting, biologically inert Coveralls feature non-sparking zipper and anti-static treatment
- Meets ANSI/ISEA 101-1985 sizing requirements
