PMW Urgent Escape Kit
Solutions and Kits | Kits

Featuring multi-purpose PMW Escape Hooks, this kit is designed for fast egress in a true emergency. Risks associated with getting hung up or stuck during descent are eliminated, as there is no autolocking descender. Kit includes a carry bag, rope, autolocking carabiner, and two hooks – one large and one small. Either hook may be used as an anchor, and either hook may be used as a friction brake for descent or lowering. This is the most versatile personal escape kit available. Choose from two models: Urgent Escape Kit includes force-absorbing nylon rope while the Hot Urgent Escape Kit features PMI Element Technora Rope. Proper training is required before use. **Kit Includes**:

- 50’ PER Nylon Rope
- SMC Kinetic Carabiner
- PMW Hook – Small
- PMW Hook – Large

Key Features

- Made in USA Multi-purpose system
- Custom Rope Lengths Available
