

Endurosaf® Apron

A-APRON-WH Tie Back,35" W x 45" L,1 per package

Endurosaf® Apron offers light protection from chemicals, oils and abrasion. In food and chemical processing or lab settings, its composite fabric is superior to most other materials.

- Durable Enduro 2000™ film protects workers, even in cold environments; better than neoprene, nitrile, vinyl for use around food, chemicals and sensitive equipment
- Light-weight, 8-oz. construction offers all-day comfort
- Liquid-repellent finish makes cleaning simple
- Plastic buckles won't corrode; a safer alternative to metal in many workplaces
